PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 269A to
Hawley, Texas as that community's first local FM service.
Hawley, Texas is an incorporated city with a population of
646 people and 58 businesses that have been given a credit
rating by Dun & Bradstreet as of the last quarter of 2000.¹
Hawley has its own mayor, Don Tatum, its own independent
school district, the Hawley ISD, its own post office,
volunteer fire department, city offices and a number of

local churches. Hawley is a community that is certainly deserving of local FM service. The proposed channel 269A will provide additional diversity and an outlet for local self-expression to Hawley residents and therefore is in the public interest.

Should this petition be granted and Channel 269A allotted to Hawley, Texas, Petitioner will apply for Channel 269A at Hawley, Texas and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
